FOR IMMEDIATE RELEASE

TouchTone Honored Best Reseller and Carrier in the 2009 TA “Members Choice” Awards, and Top 5 Vendor for Mobile/Wireless and Data/Internet

Whippany, NJ (February 27, 2009) – TouchTone Communications, a New-Jersey based full service telecommunications service provider, has recently been honored a 2009 Telecom Association (TA) Members Choice Award winner in two service categories, Reseller and Carrier, and a Top 5 recipient in Mobile/Wireless and Data/Internet.

Through its annual Members Choice Awards, the TA, a professional telecom membership organization, has been allowing its members to publicly recognize vendors who set the standard of excellence in their respective categories.

"Winning TA's annual Members Choice award in a specific category is a significant tribute to each winner's telecom agent, channel partner and customer service programs", stated TA Founder Dan Baldwin. "This is the fourth consecutive year for our annual Members Choice awards and over 320 qualified member ballots were cast this year, a new record."

Last year agents voted TouchTone a Top 5 vendor in four categories: Carrier, Reseller, Wireless and Data/Internet; and in 2006 and 2007, a Top 5 Carrier and Reseller.

"Our members are fairly stingy with their votes," Baldwin continued. "They only vote for those providers they feel are doing an exceptional job, one that is far above the norm for service providers in the category. The reason we conduct our annual awards is to let our members state for the public record exactly which vendors they feel are doing the best job in multiple categories."
